2026 Essentials of Healthcare Summer Work

Your only assignment for Essentials to Healthcare is to review all Dean Vaughn Medical Terminology (all 350 terms) and all Medical Abbreviations (A-Z). Be prepared for a cumulative multiple choice test on Friday, August 7th. This will be an application test and you will not pass if you don't study. It is your first test grade of the year so be prepared. There are numerous quiz lets out there already made, but you need to begin reviewing now and review all summer. Medical Terminology is the base of everything you will learn on your healthcare career journey…it is a MUST! If you need a new set of either the abbreviations or Dean Vaughn please let me know. Have a great summer, be safe, be observant and ready to help out in emergencies!
